

Like-Minded

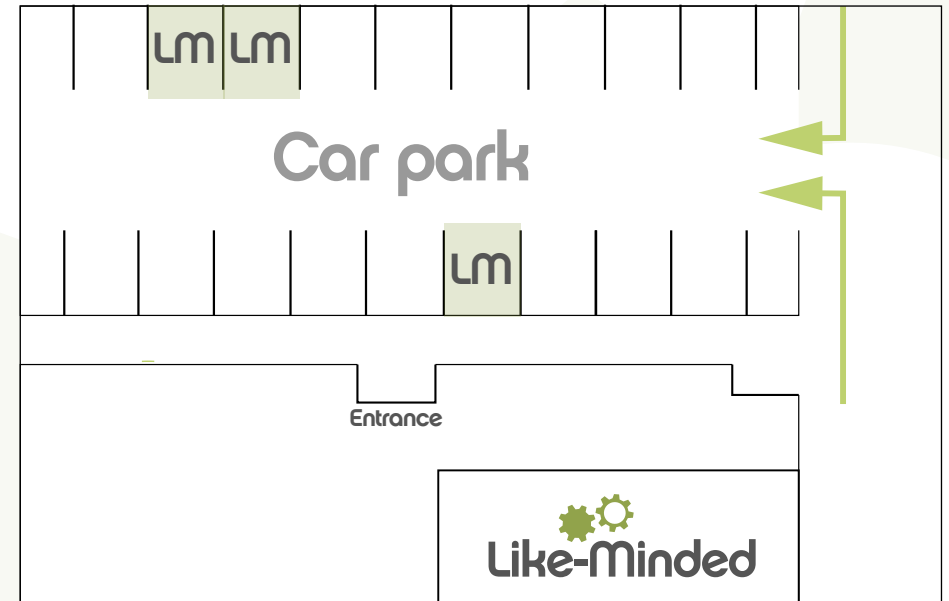

Where are we

4/105 Gasson Street.

We are located on the first floor.

Our car parks have 'LM Reserved' painted on them and are located as shown below.

No access off Gasson Street south bound.

From the south, cross the railway crossing, then take the first turning on the left, just before the traffic lights. Turn in so that the NPD petrol station is on your right, and our car park is on the left.
